nvent

NUHEAT

# FEATURES

## Connected

Easily connects to your home's WiFi network; control the temperature of your floors remotely via smartphone app or via web at [www.mynuheat.com](http://www.mynuheat.com). Control up to 16 multiple zones/rooms/homes.

## Works With Nest® and Control4 Integration

Connects with the Nest Learning Thermostat™ and Control4 Home Automation Systems to allow seamless integration of your floor heating into your smart home system.\*

## Modern Design

A 3.5", 320 x 480 pixel color touchscreen with a high gloss frame and modern borderless clear acrylic overlay.

## Universally Compatible

Compatible with any electric floor heating system.\*\*

## Energy Use Monitor

View and track hourly, weekly and monthly usage on the thermostat or on the portal.

## Ease of Use

Set-up wizard and test mode to ensure proper installation. Easy to program; 7-day programmability and custom preferences.

## Weather

Displays outdoor temperature and daily forecast.
